

# ABANC 2017 EXTRAVAGANZA

February 25th & 26th, 2017

## ABANC Member Participant Instructions

### **SET UP DATE: Friday, February 24, 2017**

Time: 1:30 PM for Panel set up

We need as many members as possible to show up to help set up the panels.

Alpaca check-in: Alpaca check-ins will be done on Friday **ONLY** from approximately 2:30 PM to 7:00 PM. Late arrivals will not be accepted and check-ins will not be available on Saturday. We have had problems in the past with late arrivals and Saturday morning check-ins, so please do not be late. Please call me (Ron – 970-481-0913) prior to this Friday if you have special circumstances that will make you later than 7:00 PM so I can try and make arrangements to accommodate.

There will be a vet check by assigned ABANC members to do the alpaca check-ins on Friday. The cost is no cost but required. Please make sure you have your waiver and check-in forms completed and with you for the check-in. I have attached another form in case you might have misplaced the original one.

Event Hours:      Saturday February 25th    From 9:00 AM to 5:00 PM  
                         Sunday February 26<sup>th</sup>      From 10:00 AM to 4:00 PM

Clean up: Clean up will start after 4:00 PM on Sunday. Please do not take your booth and stalls down prior to that time. We need everyone to assist in the clean up. Please stay and help take the panels down and load them on the truck. If everyone helps we all can get out at a decent time with no additional costs to our association.

Thank you for your participation this year. Hope for good weather and I see you Friday Feb. 24th in Longmont!
